

Blue-Green Restorative Landscapes

Commercial Interior License Agreement

This short-form agreement records the commercial interior display license for the Blue-Green Restorative Landscapes collection. The license becomes effective when the license fee is paid in full.

Licensee / Client	_____
Designer / Purchaser	_____
Project Name	_____
Licensed Location	Street / City / State: _____
Agreement Date	_____
License Fee	\$695.00
Maximum Prints	12 physical reproductions total

1. Licensed Works

Licensed Works: Green Current, Blue Current, Emerald Stillness, River Through Mist, Into the Blue, Quiet Reflection, Forest Ferns, and Turquoise Shore.

2. Rights Granted

- Non-exclusive, non-transferable right to reproduce and display the Licensed Works as physical wall art at the single Licensed Location named above.
- Up to twelve physical reproductions total across the eight Licensed Works. Individual images may be repeated within that limit.
- Reasonable cropping, resizing, and print-production color correction are permitted solely to prepare the physical artwork.
- The Licensee may provide the digital files to its contracted designer, printer, framer, fabricator, or installer only as needed to complete the Licensed Project.
- Installed artwork may remain on display indefinitely at the Licensed Location.

3. Rights Not Granted

- No use at additional locations or projects without a separate license.
- No advertising, website, social-media, packaging, marketing-campaign, merchandise, stock-library, or resale use.
- No sublicensing, redistribution, sale, or sharing of the source files beyond the contracted project team.
- No material alteration, compositing, or creation of derivative commercial artwork beyond reasonable crop, resize, and production color correction.
- No AI training, machine-learning dataset use, generative-model training, NFT use, or other automated content-generation use.

4. Copyright and File Handling

Copyright and all rights not expressly granted remain with Dan Sproul Photography. Production vendors must delete project files after completion. New production beyond the twelve-print limit requires written permission.

5. Production and Acceptance

Printing, framing, fabrication, shipping, and installation are not included. The Licensee approves final crops, materials, color, print quality, and installation. This agreement and the related invoice attachment together form the project licensing record.

6. Acceptance

By signing below, the parties confirm the project information above and agree to the stated license scope and restrictions.
